PAUL BUNYAN DANCE

The time for the annual Paul Bunyan Dance, sponsored by the Forestry Club, which has been held ever since there has been Forestry students in P.S.C., is here again. Under the capable leadership of general chairman Bob Meyer, the Paul Bunyan Dance will be held on Friday, October 28, in the Chester L. Buxton Gymnasium, from 8:00 to 12:00. There will be a door prize of a 30-30 deer rifle. Square dancing as well as popular dancing will be provided by The Travelers, from Malone. Again, as in past years, several busloads of coeds from Plattsburgh will be invited to share in the fun. Cider and donuts will be served.

Among the contests this year, there will be cross-cut sawing and bow sawing. There will also be a chopping demonstration, and a new contest this year will be the best hat contest. It is limited to anything worn on the head and this contest will be judged by the girls. Prizes will be awarded to the winners of these contests. To provide a little variety for these contests, we would like to see the Paul Smith's girls challenge the girls from Plattsburgh.

Tt should be the best Paul Bunyan dance yet, so we would like to see as many of the student body present as possible. We are sure you will have an enjoyable evening.

NEW ADMINISTRATION BUILDING

by Larry W. Passmore

Directly across the road from the Chester L. Buxton Gymnasium, another type of gym is now standing, a giant jungle-gym. This steel structure is the skeleton of the new administration building. Since early spring this has been one of the busiest sites on campus. The work is paying off for every day the

REC HALL ADDITION

by Larry W. Passmore

The original recreation hall was just not built to handle the ever-growing population of P.S.C. There were too few meeting rooms, the existing rooms were too small, the snack bar was often overcrowded and there was no real place to relax. The first floor of the addition will help alleviate the cramped space. The half facing the quad-
